Superintendent A. R. Chadd

Principal Stanley Porter

Archie R. Chadd, superintendent of schools, has had an eventful year, to say the least. Renovation of the heating system, installaion of a new roof for the high school building, and a $10,000 fire all have presented their problems. In spite of this Mr. Chadd has found time to work with the Board of Education on a school building program.

Purchase of land, the drawing up of plans, and financial arrangements to meet anticipated expenses have been the topics discussed by the superintendent and school trustees. Plans for a large educational unit in South Anderson are already advanced.

Students returning to the high school building at night have often seen the light burning in the high school office. Inside will be found Principal Stanley Porter ironing out the many problems that war conditions present to a high school principal. Mr. Porter continues to encourage as many activities in the school as conditions will allow in order that students may have a well-rounded program. His active support of all school projects has been a major factor in their success.

W. Leo Sanders

"Do you realize, Matilda Jane, that everytime it rains, you develop a sudden case of measles?" That sounds like Miss Mignon Anderson, questioning one of her delinquents. Miss Anderson said that the girls she came in contact with in this school year have been very fine to work with and on the whole, very co-operative.

Leo Sanders, that whistling man who rushes through the halls, has been very busy this year. He not only issued white, blue, yellow and pink slips, but he also was head of the first aid work. He, too, enjoyed working with AHS students.

Both deans had student assistants who helped them by running errands, answering the telephone, and hunting information in the files.

Laboratory English

English

There were between 1900 and 2000 students enrolled in English classes in A. H. S. during the 1944-45 school year. With approximately eighty classes in English, eighteen teachers were employed full time while three teachers did part time work.

Several changes were made in the English department during the past school year. Industrial Arts English was incorporated with regular English. The Bible course was revived this year after several years of inactivity. A new course will be offered next in the speech department; it is called Interpretive Reading.

C.H. McClure, who is in charge of the department, has been teaching English in the extension division of Butler University for the past six years. This summer he will be given a trial assignment in the script department of Warner Brothers Motion Picture Studio.

Miss Mary Ethel Thurston headed the remedial English division. She was previously an instructor for one year at the Indiana State Teachers' College.

Ralph Boyd was in charge of the division which included the courses in speech. He has studied with Victor Jory in the Pasadena Play House. Mr. Boyd has also taken part in radio programs.

Frank Baker was in charge of the division dealing with publications. In his class-

es, the X-Ray and the annual were produced. Clarence Burns, in addition to being a teacher in the English department of A.H.S., was also the athletic coach at St. Mary's.

The other teachers in the department, in the words of Mr. McClure, "just did the drudgery."

The English department offered many opportunities to students in their preparation for future occupations. Vocational aptitude tests and personality tests were available to students who wished to take them.

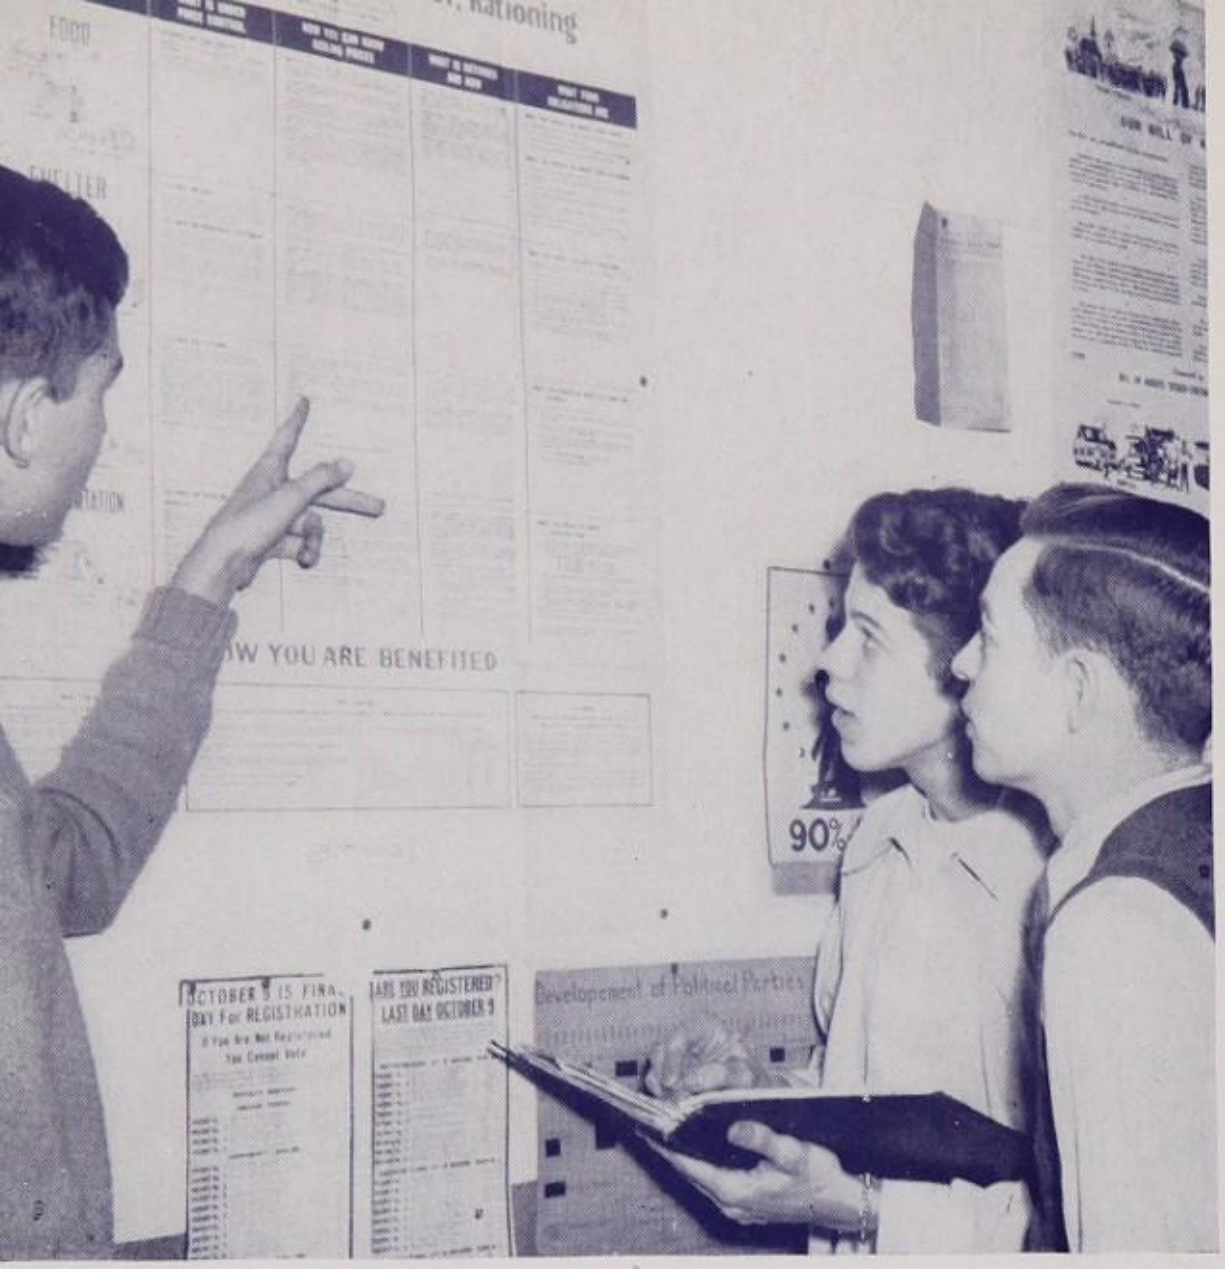
American Literature



Social Studies

Civics

During the past year Social Studies classes have devoted a part of their attention to understanding the problems of our nation in war time. The importance of and bringing World War II to a success- and bringng World War II to a successful conclusion has been emphasized. Post war problems such as the building of a just and lasting peace and comparison with the difficulties that faced the Peace Conference at the end of World War I have received a great deal of attention: Results of the Dumbarton Oaks Conference and the Crimean Conference at Yalta by the Big Three have been examined.

Students have studied the importance of the San Francisco Conference of the United Nations in helping to build a worthwhile world organization to promote peaceable settlement of differences in the future. Emphasis has been placed also

eorge Davis, Kermit Todd, Mrs. Ella Goss, J. Merrill Coffin

Ray Fleenor, Mrs. Maurine Murphy, J. J. Bailey, Miss Lois Long

on economic problems to be faced when the war is over, such as reconversion of industry and the problem of employment of returning veterans. Other economic problems which have been given attention, were taxation, social security, full employment, and consumer education.

Training in citizenship for living in a Democracy has had a major place in the Social Studies Program. Duties and obligations, as well as rights and privileges in the democratic form of government, have been emphasized.

A class in World Geography was offered during the Spring Semester. There were enough enrollments in Conversation for a class and because of this renewed interest, it was taught again after having been omitted for a few years.

Next fall, English History will be offered for the first time by the Social Studies Department headed by George Davis. Students on the Business Education Course may select either Modern Nations or World History to meet their Social Studies requirements. The plan used this year will be followed by students on other courses of study.

Art

Five days a week the students of the Art department were busy on some project. They made all the posters that were seen decking the halls of AHS advertising the various dances, skating parties, track meets, and the sunrise service.

There was much outstanding work done by the Art students in their respective classes of design, printing and portraits. Martha Starr was honored with a National Scholastic Award.

The Art Department offers to the students a chance to develop their artistic abilities and their appreciation for the culture background of the world.

Music

The music department of AHS has two main divisions. Miss Mary Ruth Palmer is the head of the vocal music division while Richard Rencenberger has charge of the division of instrumental music.

The classes in vocal music consisted of Boys' Glee Club, Girls' Glee Club, Vocal Ensemble, Choral Club, and Music Appreciation. The instrumental music department includes the orchestra, band, and junior band.

Programs were given throughout the city by these groups. The entire personel of the music department presented an impressive Christmas program annually.

Foreign Language

The Foreign Language Department directed by Miss Fannie Nagle, offered the three languages, Latin, French, and Spanish this year as usual. It provided valuable training for those who intend to travel after the war, or who will perform diplomatic missions in other countries. Study of languages brings the peoples of the world closer together, since speech differences constitute a real barrier to friendly understanding between nations.

New books, which include stories about many of the places where our soldiers are now fighting, were used in some of the classes during the present year.

The part that Latin plays in the makeup of our language was stressed in Latin classes. Studying this language is a great help to English students, both in construction and word derivation. Courses in 3B and 3A Vergil were offered this year in addition to the usual ones.

Mathematics

That mathematics has played an important part in the winning of the war is an acknowledged fact. Trigonomentry, algebra, and geometry permit trained men to aim our modern "Big Berthas" with devasting accuracy. The training of these men has been one of the duties of AHS's fine mathematics department.

In addition to the direct application of mathematics, traits of accuracy and the ability to analyze complex situations are developed.

Under the leadership of W. H. Brinson, the Mathematics Department offered courses this year in general math, algebra, plane and solid geometry, and trigonomentry. A course in refresher math was taught this year for the seniors who wished to "brush up" on math before induction into the armed services.

Mathematics plays an important role in all phases of industry, science, engineering, and in many other professional fields and has been given additional prominence by high schools and colleges in recent years.

Physical-Biological Sciences

"Describe the basic metabolism of the frog. Is the crab a vertebrate or invertebrate?" The answers to these and many questions on plant and animal life can be answered by most of the students in the AHS Biological Science Department. This department, under the leadership of Jesse Stutsman, offered courses in Biology, Advanced Biology I and II, Physiology and Safety.

"Do you smell rotten eggs?" is the typical question that one freshman asked another after he got a whiff of H_2S gas floating from the chemistry lab. The Physical Science department directed by B. B. Horton took on the responsibilities of preparing boys for technical positions in the army and navy this year.

The Navy Eddy test for radar school could be taken by all boys who had a year of high school physics. To facilitate this work, a preparatory course was taught this year in advanced electricity and radio.

Physics

Advanced Biology

Each of the two physical science courses, physics and chemistry, devoted part of each week to instruction and study and the rest of the time to actual application of the subject in the laboratory. This plan gave each student experience plus knowledge, and taught the student to think and act for himself.

Business Education

Because we are Americans, we have a desire to do better, an ambition to forge ahead. The students in the Business Education Department, under Miss Katherine L. Borwn, have made this ambition their guiding star in choosing a vocation. They are learning the trade that will enable them to fill important jobs in the post-war world, for without stenographers, accountants, and typists, where would the governmental and business worlds be?

In April these boys and girls were privileged to take the regular Civil Service Examination which would qualify them to hold government jobs. Many are planning to follow this line of work.

Another high point was reached in this department when it received a new flourescent lighting system from the Trades and Industry boys for the typing room.

Herbert Lyons, Gilbert Peart, Mrs. Marjorie Austin, Miss Katherine Brown

It was greatly appreciated by all awe inspired student typists and their teachers.

Speaking of points; the studes in the shorthand classes have piled up record totals this term. Thousands upon thousands of points have earned the grades

they were working for and added a knowledge of shorthand to last throughout their lives.

Bookkeeping students labored long over complicated practice sets of partnerships and corporations. They found it was quite a job trying to run a business. However, they came out in the blue for "victory is their business".

The department this year had many assistants who did much work for other departments and school organizations.

"Yowie! Get out of the way! Here comes one of those fellows trying to get from 306 to L-207 in five minutes!"

Yes, these fellows rushed like mad to get from a class in this building to a class in the junior high building until Dean Sanders proved it could be done walking. For lack of space, the T and I department is forced to use some parts of the Lincoln building and the gym.

This year the members of the "T and I" department headed by Paul Bergevin received a double treat in room L-7, in the form of a new machine shop with new machines plus a new teacher, C.E. Villars, who came from a temporary teaching position in the junior high where he was awaiting a new shop.

Proving their worth to the rest of the school, these boys donated and installed a new flourescent lighting system in the

typing room. It was greatly appreciated by all typists.

They also learned tool-making, auto mechanics, drafting in shop mathematics, pattern making, sheet metal trades, industrial history, and received much practical experience that will enable them to secure specialized jobs in the future. There will always be a place for expert mechanics in this age of machinery.

Home Economics

AHS provided a complete program in the Home Economics Department and the subjects this department offered were taught in a very interesting manner under the supervision of efficient instructors.

In the cooking classes girls learned to plan and cook attractive nutritious meals. In the clothing classes they were taught to sew neatly and make their own outfits which afforded the girls a saving in their clothing budgets. There were also classes in home furnishings, home nursing, and child care.

Many girls who did not enroll in the regular Home Economics Course elected these subjects so as better to prepare themselves for future homemakers.

The several classes of this department were under the supervision of five teachers with Mrs. Margaret Leachman at their head.

Physical Education

"Hey, I found a muscle," shouted a surprised student rubbing an aching back. Producing remarkable effects on Seniors and Freshmen, the required physical training program included calisthenics, competative sports, and drilling instructed by Mrs. Betty Schrepferman and Clifford Swift and supervised by Charles Cummings.

Vocational Ag. --- Visual Education

The Safety Department, under the supervision of Howard Lindsey, had one main function this year in forming the Safety Committee, composer of four faculty members and seven students members.

Other activities included the beginning of the safety poster campaign and a study of hazardous conditions about the school in preparation for fire and evacution drills from the gym.

The Vocational Ag. Department, under the direction of H. B. Wilson, is still living up to its reputation of good judging teams. This year they won the dairy judging contest for Indiana and received first honors in two county events, grain and dairy judging.

Student Council

Their objective—a school cafteria; their objections—a crowded candy stand. These are not only the views of all AHS'ers but even of the esteemed members of the Student Council, that group which represents the fellas and gals in this government of the students, by the students, and for the students. They tried very hard to reach their objective but to no avail, and were forced to resign the cause until school-time next year.

Classification System Introduced

This does not mean they have accomplished nothing this term; indeed they have done meritorious work on several other questions including that of the classification system whereby no student may hold too many offices. In this land of democracy, a fair selection of office holders is needed and in this rule, AHS has found the answer.

Another answer to all-round support of athletic programs was solved by the new date of selection and election of the mascot and yell leaders in the spring. When they were chosen in the fall, often the football games were without a cheering section and after basketball time, the spring sports were also without support. In an attempt to increase interest in all year activities, the Council has passed this law increasing the length of time these persons will serve. Most students will find there are other games as fascinating as basketball.

Extending the "no smoking" ordinance to two blocks on each side of school pro-

Cafeteria Committee—Bill Clem, Wilma Wilborn, Maribeth Munson, Harry Farmer, Maxine Kidwell

perty is another project at which they have worked hard. Emphasizing the safety angle, by appointing a Safety Committee who put up posters, slogans, etc., the Council has done much to improve conditions in and around the school.

Honor Study Hall Successful

Very proud of its success, the group has installed five Honor Study Halls this year in room 207. Student monitors in charge of the halls were selected by a faculty committee and approved by Stanley Porter, principal. Application to the study halls were so numerous that not even half could be accommodated. The future of Honor Halls has much to offer.

Because the hall monitor system, installed several years ago, is beginning to fail in these days of short programs, the monitor revision act has been advocated. Resolutions were prepared and next year will see the beginning of a better system.

Council Has Two Groups

The Council is divided into two groups, the Assembly, headed by President Wilma Wilborn, pro tempore, and the Executive Council, guided by President Maribeth Munson this year. Whatever its divisions it stands united for the common interests of the rest of AHS.

Honor Society

Leadership, character, scholarship, and service were the four qualities stressed at the Honor Society's formal initiation ceremony. Principal Stanley Porter was the main speaker for the evening's impressive, candle-light service.

The programs were planned to be informative and enteraining. Mrs. J. J. Bailey, Mary Prokos, and Ruth Brinduse told about Christmas in other lands at the December meeting. They not only told of the peculiar customs of Germany, Greece, and Rumania, but also brought some beautiful costumes.

The members of the club had complete charge of several of their meetings. An evening of frolic and stunts, under the direction of Ross Micheal and Roberta Nevis, was enjoyed by the "quiz kids". The members also took part in a lively panel discussion.

All meetings were well attended. Every member was proud to wear the emblem of the National Honor Society.

Latin Club

This club was very small during the first semester, but its membership increased a great deal the second. As usual, Latin Christmas cards were made and sold by the members to augment the treasury.

A party was held at Christmas and another one in the spring. At the Christmas party refreshments were served, including delicious sandwiches made by Miss Fannie Nagle, the sponsor; also at this party the members exchanged gifts which were later given to needy children.

The club's main project for the spring was the preparation of a scrapbook consisting of words brought over from Latin into English. Other programs consisted of the translation of a Latin play, playing Latin cross-word puzzles and card games, and singing Latin songs.

Book Club

Hearing Miss Alice Higman, popular AHS faculty member, review "The Voice of the Turtle" proved to be the outstanding program of the year for the Book Club. Many other popular books have been reviewed at the bi-monthly meetings. These included the recent best-seller by Lloyd Douglas entitled "The Robe."

Miss Dorothy Campbell, English teacher, was also a guest speaker at one of the meetings, which only proves more emphatically that faculty members as well as students have participated willingly in contributing to the success of the club.

The members of the club, which is under the direction of Miss Bess Day, librarian, also enjoyed a theater party as a part of this year's club program.

Hi-Y Club

"Step right up and give to the Line of Dimes" echoed through the down town section of Anderson one Saturday in December, as the Hi-Y Club staged another Line of Dimes to raise funds for a Christmas dinner for underprivileged children.

This outstanding service is only one of the many activities caried on by this club. One of the best dances of the year was sponsored by the Hi-Y Club after the Kokomo basketball game on February 9.

This year 39 new members were admitted to the club swelling its total membership to 65, including those in the armed foces.

Many ineresting personalities have spoken at the club meetings including a Chinese military officer. The activities of the club were concluded with a picnic in the spring that was enjoyed by all.

Torch Club

For the fourth consecutive year, the Torch Club sponsored a city-wide Easter Sunrise Service at Shadyside Park, which proved to be one of the important civic activities in connection with the Easter season.

Dr. E. J. Smith, pastor of the First Baptist Church, was the principal speaker at this year's service, and the Rev. B. H. Franklin of the Noble Street Methodist Chuch pronounced the benediction. The Choral Club, under the direction of Miss Mary Ruth Palmer, also participated in the program.

As a novelty in club activities, an all-night bunking party was held by members of the Torch Club on March 24. The program for the affair included such activities as pool, basketball, and swimming.

Earlier in the semester a private dance proved to be among the successful social functions of the season.

The weekly meetings of the club, alternating between the school and the Y. M. C. A. have featured several outstanding speakers during the year.

Among those appearing before the club during the term were Archie R. Chadd, superintendent of schools; Brooks Short, who spoke on radar; the Rev. Geoge S. Taggat, pastor of the First Presbyterian Church; and Charles Bridges, a participant in the Allied raid on the Rumanian oil fields at Ploesti and a released prisoner of war.

The Torch Club, still only a few years old, is composed of 1A, 2B, and 2A boys, and its purpose, as stated in its constitution, is "to create, maintain, and extend throughout the school and community, high standards of Christian character."

Girl Reserves

"Gosh! What a crowd! There must be at least three hundred here," an excited Girl Reserve said. The major attraction was a discussion on "Boy Dates Girl." All Girl Reserves, Hi-Y, and Torch Club members were invited. Tim Hawkins, the Club Tom Tom director, was the leader of the discussion. Those present put any question they wanted to ask into a box to be drawn out and discussed. The discussion was such a success that another one was soon planned. Refreshments and dancing were enjoyed afterwards.

For the second year, the Freshmen, Sophomore, Junior, and Senior Girl Reserves were combined to form one club. This year's membership broke all previous records. Three hundred fifty girls spent their Monday evenings at the Blue Triangle Room.

A more elaborate cabinet system was worked out this year. There were eleven standing committees, such as the co-ed, devotions, and hostess committees. At one meeting the service committee taught the girls to make favors for the wounded soldiers at Billings Hospital, Ft. Benjamin Harrison, Indianapolis.

Two girls were appointed as co-chairmen for these committees. They chose their own committees ranging from 25 to 53 members. Each month a cabinet meeting would be held at one of the cabinet

member's home. With each committee there was one adult adviser.

There were two semi-formal dances sponsored by the Girl Reserves. The first one was held in January at the Labor Temple. The spring dance was held April 20 at Grandview.

Several improvements were made for the Girl Reserve club room. A much needed coat rack was made and a coke stand was built. Another project was giving $50 to the Red Cross. The Girl Reserve cabinet sponsored a hay ride in October and a Hobo party during the spring semester.

A new idea was started this year. Two sergeants-at-arms were appointed to keep order at the meetings. With three hundred fifty women at one meeting, who wouldn't need sergeants-at-arms!

Devotions were held before every program. The programs this year tried to develop appreciation in various fields, such as music, poetry, good grooming, personality, racial problems, public affairs, religion, and boy and girl relations.

Conservation Club

"Conservation through education and restoration," is the slogan of the Junior Conservation Club of AHS. This organization, sponsored by John Finney, has accomplished many useful tasks in the field of conservation.

Last summer the members engaged in the project of raising quail. The club was recognized by the State Department for this activity, and the members received payment by the government for each bird which was liberated.

This club is one of the seventeen conservation clubs which have been formed throughout Madison County. At their meetings, the members heard numerous speakers, among whom was Mr. Holeman of the State Advisory Committee.

Dramatics Club

Never minding the "Dust of the Road" on "The Happy Journey" they were taking, the Dramatics Club members with their "Sense of Values" presented the plays of these titles at their two open house programs. While traveling along, they stopped at the gym to present "Poor Old Jim" for a convocation.

Directed by Ralph Boyd, sponsor, and aided by Gene Simmonds, president, the club held a formal initiation for new members. These new pledges had to prove themselves capable of belonging to the group by earning twenty points for participation on programs before their initiation. At ths meeting, Mrs. Esther Buchanan, history teacher, was the guest speaker.

However, at all regular meetings, the members entertained themselves with skits of their own selection and gave reports on their field of study for the year —that of drama. The membership is limited to thirty students a semester, providing room for every one to take part in activities.

Band

There shall be music wherever they go! Yes, the members of the A.H.S. Band were glad to furnish entertainment for their listeners wherever they went. Richard Rencenberger, the capable director, and his group of music lovers played for the school convocations. They were especially outstanding in their annual program which was given this year in January.

Faithful fans of AHS athletic teams, they put the crowd "in the mood" for the exciting basketball games with peppy music; and rain or shine, these merry music-makers, clad in their bright red uniforms, could be seen and heard giving their support to the boys out on the field at the football games They also played before Central Junior High, for the safety parade, and for several clubs.

The only convocation at which they did not appear this year was a student talent program for which a school dance band furnished the music. The band did not suffer greatly from call of the armed services, but all interested students wishing an interview with Mr. Rencenberger, received a warm welcome.

Choral Club

Starring in the season's activities for Choral Club were the Christmas and Easter performances, directed by Miss Mary Ruth Palmer, instructor of vocal music. These, plus fourteen other programs, including trips to Indianapolis and Elwood, Baccalaureate Commencement, and convocations, made a schedule of sixteen presentations.

Guided by President Gene Simmonds and Vice-President Ray Malone, the group ended the term with the annual banquet planned by the Juniors to honor Seniors. At the dinner, Senior merit awards were presented by Miss Palmer to graduating members, who leave this song for all of AHS, "The Lord Bless You and Keep You."

Orchestra

When twenty-five music lovers combined their talents one June night, someone said, "There goes that song again!" Yes, once again the orchestra will give that finishing touch to the Senior graduation exercises.

The orchestra played for the Christmas program which was held in the auditorium. It also supplied the music for the Senior Class Play. In the spring, the musicians played for the annual spring festival.

Madrigal Club

The twelve members of the Choral Ensemble class form the Madrigal Club of AHS. These students, directed by Miss Mary Ruth Palmer, have presented many entertaining and colorful progams of vocal music duing the year.

The members sit around a candle-lighted table while presenting their programs. The girls wear formals and the boys wear dress suits.

They have entertained the Kindergarten Mothers' Federation, Jaycees, Atheneum, and various other organizations.

Junior Red Cross

"More money for the Red Cross" grumbles the student body several times each year as a representive approaches. These voluntary contributions are very important, however, for the Junior Red Cross carries on many community and nation-wide service projects.

Junior Red Cross members collected money for the Infantile Paralysis Drive in the theaters and on the uptown steets. Large baskets of food were made up and distributed to needy families on Thanksgiving.

Games of all manner and description were collected and sent to wounded veterans. This year a total of $200 was collected for the Red Cross National War Fund Drive. Refreshments were enjoyed by the members at some of the club meetings.

Camera Club

What good is a camera without film? Such was the sentiment of many loyal members of this organization as the film shortage this year became even more acute than ever. Often whn a lucky lad or lassie did manage to obtain film, he or she found that it was practically impossible to secure flashbulbs

The organization was sponsored again this year by Gordon Julius. The purpose of the club was to study the mechanics of photography and to stimulate interest among the high school students in the field of photography. In order to do this successfully, the club was divided into two parts—an elementary group and an advanced group.

In spite of all the wartime handicaps, however, the club managed to carry on its work successfully and maintain its membership.

Science Club

After several years of inactivity, the Science Club was organized this year under the name of P.S.C., or Physical Science Club. It's biweekly meetings consisted of talks and demonstrations given by members of the club and by outside speakers.

Emphasis was placed on the principals of radio. At one meeting the club visited a class in radio; and at another Don Holt, president of the local Radio Club, explained and demonstrated the action of radio waves. This was quite helpful for those intending to go into this field after entering the service.

A one meeting the vacuum pump was used to demonstrate the effects of air pressure. Another program was presented by a policeman who demonstrated the "Drunkometer", an instrument used by the police to determine whether a man is legally drunk.

Printers

Few groups contribute more to high school life than the printing classes under the instruction of Claude P. Barner. An elective subject for juniors and seniors, the printing classes devote a large part of their time from September to April to the preparation of the **X-Ray,** weekly school newspaper.

The remainder of the term is used in the preparation and printing of the **Indian.**

In addition to these student activities, Mr. Barner's classes have charge of printing material for the administration of the high school. This work includes class schedules, basketball tickets, and a large variety of forms used in keeping school records.

The printing classes also handle a large amount of work done for individual clubs and other organizations connected with the school.

The addition of a new style of headtype in the printing department enabled the **X-Ray** to modernize its make-up this fall.

This department has a remarkable record of having placed a large number of boys in mechanical departments of professional newspapers and printing establishments.

X-Ray Staff

Twenty-five more issues of the X-Ray came off the presses again this year, thanks to the efforts of the Advanced Newswriting and Printing students under the supervision of Frank Baker and Claude Barner. Editing the paper were Maxine Kidwell, Mary Carolyn Sturwold and Pat Pitts. Page editors were Richard Hamilton, Patty Phillips, Doris Jean Sells, Betty Lewellyn, Florence Rodeman, Harry Forse, and Thom Ellis.

In October new non-serif headline type was used for the first time following the trend adopted by many professional papers. Also during this month the staff was represented at the annual convention of the I.H.S.P.A. by Maxine Kidwell, Doris Jean Sells, and Thom Ellis.

The system of using a select group of freshmen and sophomores as cub reporters was continued.

Future Farmers of America

The Future Farmer's Chapter has carried on a full year of acticities. This year marks the tenth year for this organization in A.H.S.

Bringing the W.H.Hardy and Sons Achievement and Scholarship Cup up to date, it has the following names inscribed upon it.

1943—Max Eggman—Jim Teters
1944—W. Robert Reed

The Anderson Aggies basketball team had a successful season with five wins and two losses. They played the Aggie teams of Alexandria, Elwood, Frankton, and Markleville.

The year's judging started with the dairy team members, Kirk Tupman, Lowell Bonner, W. Robert Reed, and Ray Croxton winning the first place cup in the State 4-H Roundup contest at Purdue. Kirk Tupman was fourth high individual in the contest. John Matthew accompanied them as a 4-H Junior Leader.

During the summer at the County 4-H Fair John Matthew won the covoted Dairy Showmanship Prize.

In the State Vegetable Judging Contest at Purdue in October Dan Pittenger, Kirk Tupman, Hubert Odem, and John Matthew represented A.H.S. The team

Coaches

An athletic squad can never achieve greatness untill its members have been tained to function smoothly, not as individuals, but as vital parts of a well oiled machine. This training calls for highly skilled coaches who understand boys and enjoy working with them. Anderson was fortunate in having such men this year.

The task of taking a large group of boys and, after a few short weeks of practice, producing a team capable of bearing the high standards of Anderson High School is an enormous one; and it was largely due to the tireless efforts of each man on the coaching staff that the Indians won the North Central Conference All-Sports trophy last year.

In addition to their coaching duties, these men sponsored the "A" Club, composed of all major letter winners in Anderson High School. Highlighting the club's activities were the Christmas banquet and a trip to Indianapolis to see an ice hockey game.

Cheerleaders

Leading the cheering at the football and basketball games, presenting new yells at pep sessions, and helping in many other ways to promote a better school spirit were the four cheer leaders.

To the three student managers went the job of caring for the vast amount of equipment used by Anderson's athletic squad, and the fine manner in which they handled this responsibility contributed greatly to the success of the Indians.

One of the most difficult problems at the basketball and football games was managing the enthusiastic spectators, but the ushers had the situation well in hand at all times.

throngs which poured out in support of the A.H.S. pigskin team this season. This growing public sentiment is in itself a tribute to Coach Charles Cummings, his assistants and his boys for the great job they are doing in placing Anderson football where it really belongs, at the top in high school gridiron achievement.

Practice began the latter part of August, and the boys, under the watchful eyes of Coach Charles Cummings and his two assistants, Vern Shinn and Clifford Swift, soon rounded into shape for the season's opener against Elwood.

On Monday, September 11, the fall school term officially opened, and the Warrior gridders celebrated the occassion by running wild over the hapeless Elwood Panthers, 39-0, on the Callaway park gridiron.

The following Friday was the date for the first home game and a record-breaking crowd turned out to witness the battle between the Indians and Shelbyville Bears. In a game which at times assumed the aspects of a track meet, the Anderson Team scored almost at will for a 69-6 massacre of the Golden Bears.

Next on the schedule appeared arch-rival Muncie, and the Redskins never got started as they were snowed under by the Bearcats, 46-7. As they suffered their first loss of the season, the Tribe produced only one scoring spark, a touchdown in the waning minutes of the first half.

Braves Club Giants

Bouncing back from their defeat at Muncie, the Redskins rolled to an impressive 20-0 win over a game, but outclassed, team from Marion. After a scoreless first half, the Anderson eleven caught fire, scoring twice in the third period and adding another touchdown in the final frame.

When a team has remained undefeated in twenty consecutive games, they'er a pretty safe bet to continue their winning ways; but the Indians showed no respect for this impressive record as they blasted out a 20-7 victory over the invading Shortridge Blue Devils. This was probably the best game of the year for Anderson, with each boy playing fine heads-up football.

Consistently plagued by penalties at the most inopportune times, the Warriors fell before a heavier Tech team, 13-7, in an afternoon game at the Capitol City. Trailing 13-0 at the end of the third quarter, the Indians pushed across one touchdown in the last period, but were unable to cash in on another scoring drive before the game ended.

In the final home game of the season, the Redskins scored twice in the second quarter for a 12-6 win over the New Castle Trojans in a hard fought defensive battle.

The curtain was drawn on the 1944 pigskin season at Richmond on October 25, when the Indians concluded a highly successful year with a 12-0 decision over the Red Devils from Richmond High School.

Scharnowske Named Captain

At a meeting of the squad members shortly after the season ended, Bob Scharnowske, senior guard, was elected honorary captain of the team.

Senior letter winners who played in their last games for A.H.S. this year were Captain Scharnowske, Albert Broadnax, Bob Franke, Don James, Maurice LaMar, James Utley, John Vaughn, Dick Williams and Jim Williams.

Fall Track-Cross Country

As mighty as any athletic squad ever to represent A.H.S. was this year's undefeated cross- country team. The real story of the strength of the Indian cinder boys lies not in their outstanding record of six consecutive wins, but in the demonstration of terrific power they presented in gaining these victories.

Heading this display of might was Captain Bob Gray, who broke three course records and was first across the finish line in every race.

In the first meet against Kokomo Anderson grabbed the first four places for a 16-39 decision. The next opponents were Shortridge and Tech, who fell, 19-36 and 22-33, respectively.

Kokomo and Warren Central were the next victims of the Warrior Powerhouse, both being on the short end of perfect 15-40 scores. Closing the season in a triangular meet against Warren Central and undefeated Howe, the Tribesmen won in a walkaway, 19-36-65, with the Hornets second and Warren third.

Basketball

For many years the name Anderson has been associated with outstanding basketball; and from the opening tip-off in November, untill the final gun in March, this year's quintet played the same high-type ball which has become characteristic of all Indian hardwood teams.

No, the boys didn't win the state championship or the North Central Conference title, but their record of 18 wins, as compared with 6 losses, in competition with the best Indiana had to offer speaks for itself.

Faced with the task of starting the season against Greenfield less than three weeks after the last football game, Coach Charles Cummings and Assistant Coach Carl Bonge issued the first basketball call on Monday, October 30. The annual "open house" game was staged Thursday, November 9, and the Redskins gave ample proof that they were well prepared to face the tough schedule ahead.

After trailing by one point at the end of the first two periods, the Indians cashed in on a last half drive for a 45-31 win over Greenfield in the season's curtain-raiser. Lapel, a newcomer on the schedule, invaded the wigwam the following Friday, and the Braves welcomed them with a 45-29 massacre. In the first

out of town game, Johnny Wilson scored 16 points as he led the Tribe to a decisive 42-27 margin over the Marion Giants.

Victory number four was hung up at the expense of an outclassed New Castle quintet, 31-18, in a slow, defensive game. Lafayette appeared next on the schedule, and the Redskins handed the Bronchos their first defeat of the season, the final count showing 33 for Anderson and 23 for Lafayette. Muncie's high-flying Bearcats came to town the following night and the Braves continued their mastery over the Muncie five, 32-27, in one of the season's most exciting games.

An improved Marion team journeyed to Anderson the succeeding week, and the Warriors, sparked by the fine floor game of Carl Erskine, scored their second victory of the season over the Giants, 36-

29, in a tight defensive battle. At Muncie the following night, the Burris Owls were held to a single field goal for the first twenty one minutes, as Anderson rolled to a 36-21 decision. This was the last game in 1944, and the Indians had marked up eight consecutive victories.

Hardwood festivities for 1945 were inaugurated on New Year's Day with Kokomo, Logansport and New Castle guests of the Warriors in the annual Big-4 tourney. Kokomo and Anderson, co-favorites for the crown, met in the first afternoon game, and the Wildcats slaughtered the unbeaten Tribesman, 49-32. In the consolation tilt, Logansport dealt the Indians their second blow of the day,37-36, in a double overtime thriller.

Seeking revenge for their defeat in the Big-4 tourney, Anderson headed north for Logansport on January 5, but the Berries handed the Redskins another strong dose, this time by the score of 42-41. Central of Fort Wayne came to the wigwam Saturday night, and the Indians broke back into the win column, crushing the Tigers, 55-22. Against Richmond, the Red and Green grabbed a 12-0 first period lead and protected this margin for a 37-30 victory.

Once-beaten Shortridge was the next host to Coach Cumming's boys, and the Warriors turned on the heat in the last half to ring up a decisive 43-31 victory over the tall Blue Devils. The Indians suffered their fourth loss of the season at the hands of Tech, as the Green Wave hit the basket with consistency for a 34-28 win.

Muncie was ready for the Tribesmen in their second meeting, and the Bearcats won,49-27, in a walkaway. Returning to victory trail, Anderson annexed conference win number 7 with a 50-37 triumph over the Franktort Hot Dogs. For the second consecutive night the Indians reached the 50 point mark, edging past the Shelbyville Golden Bears, 50-44.

In one of the top games of the year, Anderson, paced by the fine defensive work of Harry Farmer, played brilliant ball to defeat Kokomo, 31-26, and knock the Wildcats from first place in the North Central Conference race. In the regular season finale, Jack Rector, Wilson and Bob DeVinney paced a well balanced scoring attack for 30-25 decision over the New Castle Trojans, assuring Anderson of third place in the final N. C. C. standings.

Tournament fever hit Indiana on Thursday, February 22, and the following night Erskine and Rolland York led the Indians in a 47-23 landslide over the Pendleton Irish. Saturday afternoon found Anderson pitted against a fighting Elwood team and the Warriors ran wild for a 61-29 verdict. In the Saturday evening climax the Braves swept past Lapel, 46-31, for their twenty-first sectional title.

The season was abruptly concluded in the regional, as the Anderson quintet, after leading for most of the game, was nosed out by an inspired Danville five, -32, in the first matinee battle.

Seniors receiving letters were Carl Erskine, who was chosen honorary captain of the team, Bob DeVinney, Jack Rector, Dick Williams, Jim Williams, and Rolland York.

Keeping pace with the varsity, the "B" team enjoyed a very successful year, losing only two games and winning the Little-4 "B" team tournament. Coach Bonge's steadily improving freshman quintet gave assurance that Anderson will not be lacking basketball talent in '47 or '48.

Track

Proudly wearing the state crown, which they won as a thrilling climax to a sensational season of ten consecutive wins, Coach Carl Bonge's undefeated thinliclads represented the acme in 1945 Indiana high school track.

This was Anderson's first cinder diadem and it served as a fitting finale to a year's record which included the following outstanding achievements: first in the Muncie Relays; first in the Kokomo Relays; first in the North Central Conference meet for the sixth consecutive year; first in the Sectional meet for the seventh consecutive year; and, preserving their unblemished record of not having lost a dual or triangular meet since 1938.

Credit for the championship team goes to Coach Bonge, Assistant Coaches Ray Fleenor and Robert McDowell, and all the boys on the squad. For ten consecutive years Bonge has produced strong track squads at Anderson and the crushing victories of the Warriors this year served as a well-earned reward.

Pacing the Warriors in all their victories were Bob DeVinney, senior hurdler, and Johnny Wilson, star high jumper and dash man. DeVinney set new school records in the high and low hurdles with times of 14.8 and 22.7 seconds, both marks within one-tenth of a second of state records. He closed his high school career with brilliant double triumphs in

the hurdles at the state meet and won acclaim as one of the greatest athletes in Hoosier track history.

Wilson, who broke the high jump mark by clearing the bar at 6 feet, 1 3-4 inches in the Muncie Relays, tied for second in that event at the state meet, and finished third in the 100 yard dash. Bob Gray, senior miler, copped third place at the state, and Dick Adams finished second in the quarter-mile.

Anderson's third "first place" came in the mile relay, when Dick Williams, John Vaughn, Bob Spearman and Dick Adams finished far ahead of the field in the very fast time of 3:30. In one of the last events of the day, the half-mile relay quartet, composed of Wilson, Ervin Wright, Clifford Carter, and DeVinney finished fast behind Roosevelt of Gary for second place and eight valuable points.

Seniors who received letters were DeVinney, Gray, Williams, Vaughn, Don James, Bob Clifford and Eugene Keesling.

Baseball

Baseball in Anderson has been making great strides during the last few seasons, and this year's nine is probably the mightiest ever to bear the Indian red and green. At the time of this writing the diamond team had rolled over all opposition in marking up ten consecutive wins, three of them over North Central Conference foes.

Middletown fell first, 12-1, as Carl Erskine and Rodger Byrne limited the Cossacks to two hits. Pendleton was the next victim, 8-5, and on April 12 Erskine pitched no-hit ball, and Jack Rector, catcher, hit a home run for a 1-0 thriller over Hartford City.

The following night Byrne duplicated Erskine's feat with a 10-0 no-hitter over the Pendleton Irish. The Anderson senior was aided by the hitting of Jim Williams, who pounded out two triples and a single in four trips to the plate. On April 18 Greenfield bowed to the Braves, 11-6, and in their first conference game, the Warriors trounced Lafayette 10-0, behind Erskine's two-hit twirling. Against Hartford City in a return engagement, Bill Loose hurled two-hit ball, and the Indians won, 2-1, on Jim Vanderbur's single in the seventh inning.

Byrne pitched a one-hit game on May 1 to beat the Greenfield Tigers 3-1, and the following Tuesday Bob Humphrey, first baseman, got three hits to pace the Tribesmen to their second N. C. C. win, a 7-3 decision over New Castle. Muncie was the tenth victim, 9-0, as the Bearcats fell before Erskine's one-hit pitching and Don Vandergrift's batting power.

Golf

Showing steady improvement after a slow start, Coach Kermit Todd's golfers rounded into a squad capable of giving battle to the best in the North Central Conference.

By the middle of May the Tribesmen possessed a victory over Muncie, while their losses were at the hands of Kokomo, Tech and Richmond. Although constantly plagued by rain, the "divot diggers" practiced every night in preparation for the conference meet at Indianapolis on June 26. Last year's team finished third in the N. C. C. race.

Girls' Athletic Assn.

Dashing through the doors marked "Girls Only" each Tuesday and Thursday at approximately 3:35 ,were seen many beautiful blonds, brunnettes, and redheads. This, as you might guess, was not a rush for nylon stockings, but merely time for G.A.A. to convene. Once inside, the girls of each class started knocking themselves out to defeat each of the other classes in such energetic sports as basketball, volley-ball, soccer, and tumbling. Basketball seemed to be the all-round favorite with every class this year, especially with the Freshmen, as they walked off with top honors in the basketball tourney. The volley-ball tournament went to the sophomores and was followed by a close contest in softball.

Sports Heads Chosen By Members

The sports heads for each of the various sports are elected by the club members. When spring rolled around, the girls were seen "up to bat" on the softball field and later running (or so they claim) around the track. G.A.A. has been for many years one of the most popular clubs in AHS. Its popularity this year was greatly due to the able leadership of the sponsor, Mrs. Betty Schrepferman, who was before her recent marriage, Miss Betty Lambert.

This year, for the first time in the history of the Club, G.A.A. played out of town teams in basketball, softball, and volley-ball. In these games the girls had the same rules as did the boys in regards to scholarship and eligibility.

Awards Presented At Banquet

As is the custom, a banquet was held for the G.A.A. members and their mothers. At this banquet, honor awards were given to the outstanding girls in the club. A senior honor award was given o the senior girl who was especially outstanding in participation, scholarship, citizenship, sportsmanship, and the furtherance of the interests of the club. Another special award was the G.A.A. sportsmanship award given to the club who has had the most sportsmanlike attitude during the year.

This organization also had several interesting outside activities. Its members sponsored a skating party on April 12, conducted a rummage sale of clothing which they collected, and went on a hike and picnic spree given in the spring.

The club is governed by the G. A. A. Council, composed of the officers and two representatives elected from each class. This year the members elected Jean Hutton as president, Ruth Snow as vice-president, Betty Merritt as secretary, and Barbara A. Brown as treasurer.

Jean Hutton

Each year G. A. A. selects the senior girl who has contributed most to the organization during her membership. To this girl is presented the Senior Honor award. Her name is engraved on the Senior Honor cup.

Jean Hutton was selected this year on the basis of her continuous participation in all activities, her unfailing loyalty to the club, her able leadershp and good sportsmanship. Jean was president this year and head of basketball. During her four years in G. A. A. she has been head of various sports and a member of the executive council.

The Sportsmanship award is given to the girl in G. A. A. who has shown the most sportsmanlike conduct during the year. Maye Hubbard a senior, was selected to this honor by her fellow members.

Maye has been active in all sports this year and she was chairman of the program committee for the annual banquet.

She was selected because her attitude has always been the same whether winning or losng; that of someone who plays for the enjoyment of playing

School Opens With Class Meetings In Auditorium

Chasing cats in the good ole summertime may have its attractions but they are nothing compared wih those of romping through a school year with 2,400 A.H.S. studes, especially when 754 of them are "Freshies."

An early snoop revealed a few changes in the teaching staff for the new year. Mrs. Maurine Murphy replaced Arthur Shirey in the Social Studies Department; C. H. Roney took over the duties of L. B. Mather in the Biological Science Department; and Kermit Todd and Mrs. Virginia Pitman were added to the Physical Science Department and Business Education Department, respectively.

Topping all previous records, X-Ray subscriptions totaled 91 per cent of the enrollment, meaning that 2,119 students received the successful issues. As usual the Seniors led in the campaign with seven of their nine home rooms reaching 100 per cent.

V-Day Program Planned

Looking forward to the end of the European War, a V-Day Program was planned by a sub-committee of the Convocations Committee to be used when news of the completion of the war should be received. The program was part of a city-wide effort to observe V-Day in the proper devout and appreciative manner.

At the customary class meetings held in the auditorium early in semester, Mr. Porter introduced the respective class officers and addressed the students concerning general rules of the school.

The fist all school convo of the year was a triple-featured program. Miss Marie Adams, Chinese missionary, presented the first part of the program with a talk on her experience in a Japanese Concentration Camp.

Student Council Installed

Following a rather new custom, Principal Stanley Porter ceremoniously installed members of the Student Council. Several worthy projects were undertaken by this year's Student Council, and again its work proved the importance of this democratic body in the school system. Mr. Porter also introduced the new faculty members of the student body. The final portion of the program consisted of the annual fire prevention demonstration. Fire Prevention Week was observed during the week of October 8-14.

Convo Features Fire Dept.

Congratulations to the '44 A.H.S. year book, the Indian! For the second successive year, the Indian has been awarded an All-American Honor Rating by the National Scholastic Press Association. Here's hoping the '45 book can keep the standard as high.

Galloping horses! Roaring trains! Fire, wind, and rain! These were just a few of the sounds produced by Alice and Harold Allen, sound effect man and woman, in their unique program given at one of the convos. By interesting demonstrations, the onlooking Jacks and Jills were really put on the inside track as to the way "Hi-Yo Silver" comes galloping through a radio loudspeaker. Mr. Allen also imitated many birds and animals and impersonated several motion picture stars.

Library Receives Gift

All students entering the library early in the semester received a pleasant surpris in the form of a beautiful new circulation desk dedicated to the school by the Class of '44. The improvement made was amazing and no doubt partly accountable for in increased number of library lads and lassies.

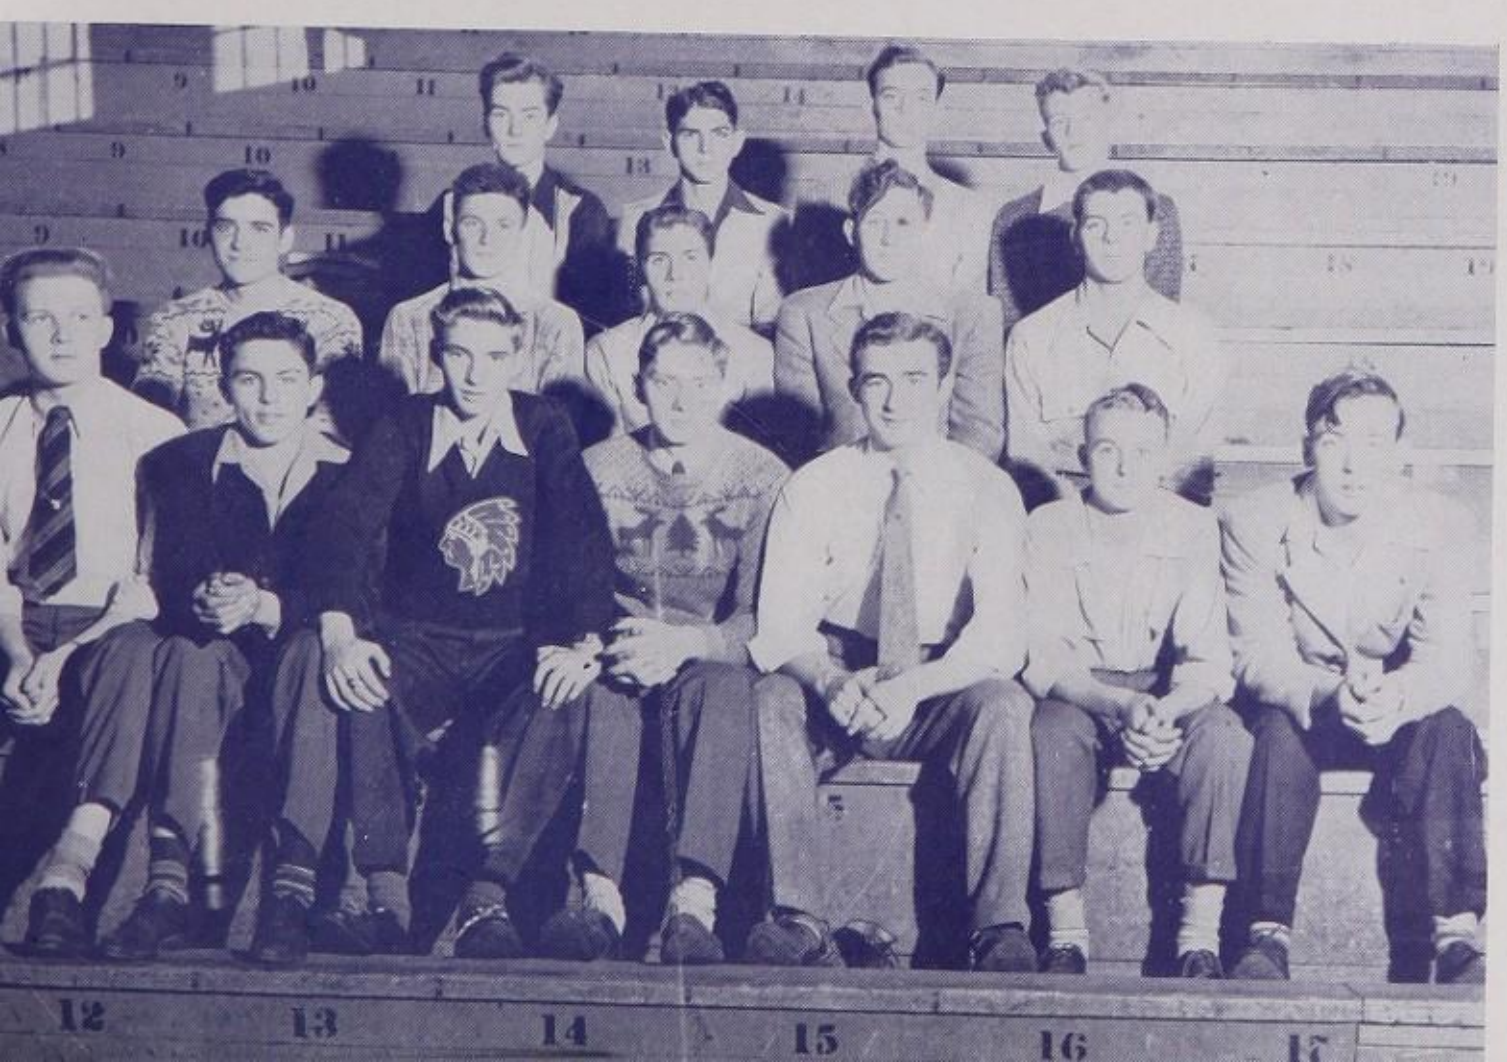
Out of sixteen boys who tried out for the Indian, Norman Peters was chosen as the honored mascot, Chief Anderson.

Is He Dead Yet?

Donning the colorful head-dress, Norman danced forth to support the year's athletic teams with great enthusiasm. The Indian is chosen by the Pep Sessions Committee at a private tryout.

"May I see your intra-mural, please?" The hall monitors were on duty for another year and all the tile-trompers—excepting Seniors, of course—needed a good excuse for their roaming. Head monitors were chosen by a student-faculty committee headed by the two deans.

The first all school pep session held in the gym showed promises of a bigger and better cheering section for this year's athletic contest and studes were anxiously looking forward to the cheerleader tryouts and election.



Who Is to Be the Mascot?

Roof Repaired; Ditches Dug

In order to keep up with the times, the school building itself underwent several face-lifting operations during the year. The roofing was repaired and renewed in several places; the candy stand was enlarged and equipped with new fluorescent lights; and while a steam line was being installed between the music annex and the main building a great cavity, commonly known as "The Ditch", was dug.

Five lucky journalism studes were selected from the X-Ray and annual staff to attend the Indiana High School Press Association Convention at Franklin this year. Maxine Kidwell, editor of the X-Ray, and Neal Petry, editor of the Indian, attended the sessions. The other delegates were Thom Ellis, Patty Ryan, and Doris Jean Sells.

The Winnahs! Two promising young writers were discovered in the throng of local students as the result of two essay contests. Claris Ann Byrum, a Junior, was awarded a $25 War Bond for placing first in the Navy Day Essay Contest. Malcolm Dunn won the first prize of $10 in the annual Fire Prevention Essay Contest.

War Chest Drive Success

The War Chest Drive, sponsored by the War Efforts Committee, came through with flying colors. The Freshmen were first in the contributions which totaled $259.22 for the entire school, making an average of 11.5 cents per student.

With a Hallowe'en parade as a background, the first student talent program of the year was presented with much success.

At the annual State Teacher's Convention in Indianapolis, Principal Stanley Porter was re-elected president of the North Central Conference Athletic Association. Other teachers elected to various offices were Miss Katherine Brown, Miss Betty Lambert, Miss Mary Ruth Palmer, W. H. Brinson, and Frank Baker.

The usual mad rush began both in homerooms and at the gym ticket office when the season basketball tickets went on sale. Approximately 2,000 student and 1,900 adult season tickes were sold.

Education Week Celebrated

In recognition of American Education Week, Dean Bechtol, former commander of the Aemircan Legion, addressed the student body. The Choral Club led by Miss Palmer sang the national anthem, "Old Ironsides", and "God Bless Our Land." American Legion members were introduced by Thom Gephardt, student convocation chairman.

A.H.S. gridiron heroes were awarded letters by Coach Charlie Cummings and honored by the student body at an all-school convo on completion of the pigskin season. Bob Scharnowske was chosen honorary captain of the team.

Students Display Talent At Convo

Bob Hannaford was master of ceremonies and Florene and Lorene Saunders, dressed as witches, introduced the performers. The students who participated were Mary Prokos, Velda Haynes, Clarice Nevis, Joyce Stone, Ray Malone, Bill Clem,

Football Season Ends

Adding the final touches to the basketball season opening was the election of new cheerleaders. Out of the eight candidates who came through the preliminary tryouts successfully, Nancy Bartl, Bill Edgeman, Bob Graham, and Warren Rhodes were the victorious four.

The theme this year for the twenty-sixth celebration of National Book Week was "United Through Books."

Joanna Heiney Crowned Bond Queen On December 7

Eighteen deserving families in Anderson enjoyed Thanksgiving dinners through the courtesy of the Jr. Red Cross. Special committees collected food and financial contributions for preparation of the baskets.

Several new songbirds were added to the Choral Club the first semester. The new vocalists were Bobby Jo Harvey, Jeannine Hancock, Annabelle Funkhouser, Beverly Henderson, Nancy McMurry, Adrienne Stewart, Lois Ann Wells, Edith Morrison, Jack Green, Richard Jackson, Gene Fisher, Glen DuBois, Clyde Green, and Paul Clausen.

Rev. Hawkins Speaks At Convo

An impressive Thanksgiving convocation was presented. Rev. Elmo Hawkins was guest speaker on "Modern Youth Gives Thanks." Marianna Howe gave a Thanksgiving prayer, and the Choral Club concluded the program with appropriate songs.

On December seventh, another Pearl Harbor Day Anniversary, Joanna Heiney was crowned Stamp and Bond Queen of AHS in a special convo. Her two attendants were Jo Anne Busby and Mary Jane Cannon. Guest speaker for the morning was Pvt. John Graub, a veteran of Billings Hospital, who crowned the queen.

The Student Council established a student-faculty Safety Committee. The Freshmen election for class officers and sponsors was conducted. The Juniors chose maroon and white as class colors and ordered sweaters accordingly.

Student Council Starts Ball Rolling For Cafeteria

Busy days were spent taking organization pictures in the auditorium with Gene Wampole '44 acting as chief photographer. Heading the list of this year's Student Council projects was a school cafeteria to provide nourishing lunches for hungry studes.

The coveted D. A. R. award was won by Olive Swaim, active Senior girl. The award was based on personality, scholastic ability, and patriotism. Mary Carolyn Sturwold was appointed X-Ray Editor for the spring semester, assuming the duties of Maxine Kidwell.

The three lovely winners of the X-Ray Pin-Up Contest were Jo Anne Busby, first, and Roberta Peters and Laura Belle Ballard, runners-up.

Anderson was again in a blaze of glory this year when she came out on top in the Sectional Tourney. Enthusiastic crowds gathered at various uptown places to celebrate with huge bon-fires and jubilant war-dancing.

Marking the close of the '44-45 hardwood season was the annual all day celebration. It began with an all school convo honoring the basket ball teams. Free movies were shown at the State and Paramount theaters atfer which there was dancing in both the auditorium and girl's gym.

Guidance Day Speakers

Talent Convo Is Sensation

The Sixth Annual Guidance Day was held in March for the benefit of all graduating Seniors. Representatives from eighteen colleges and universities were present to hold conferencs with the students.

Dramatics Club "Open House" was as usual an oustanding event. The two plays presented were "Sense of Values" and "Happy Journey". Much of their success was due to the fact that each was entirely different from the other.

Shocking the world with its unexpectedness, an announcement was made April 12, 1945, of the death of Franklin Delano Roosevelt, President of the United States. The nation lost a powerful leader and a great man whose influence will be felt for many years to come, not only by the American people, but also by the people of countries all over the world.

The Annual Spring Talent Convocation was once more the time for gifted guys and gals to do their stuff.

'Mrs. Bumpstead Leigh' Is Senior Class Play

Don James and Jack Miller, solid Seniors, were masters of ceremonies. The great variety of acts included solos presented by Jacqueline Dillon, Ray Malone, Viola Robinson, Bobby Jo Harvey, and Paul Wilson; a whistling number by Kathryn Carico; vocal duets by Joyce Turner and Betty Cobb, Florene Saunders and Dick Jackson; and a piano duet by Shirley Eckenberg and Marilyn Dollens.

Dance Band Gives Out

Ramona Laraby played the accordian and Bob Baldauf presented "Casey's Revenge"; a novelty stunt was given by Bob Glazer and also by Warren Rhodes, Mort Hunter, Jack Eldridge, Mickey Condon, and Tom Moreland. The dance band gave out with several sharp selections. Members of the band were Marvin Hull, Don Hughel, Phyllis Parry, Norman Brown, Katherine Baxter, Jacqueline Dexter, Eddie Humbles, Jack Ireland, Bill Alexander, Earl Powless, and Neal Petry.

Junior, Sophomore, and Freshmen class meetings held in the auditorium and boy's gym were immediately followed by the elections for class officers. A swell group of boys and girls were chosen to lead their classes in next year's activities.

The entertaining Senior Class play constituted one of the spring highlights. The light comedy "Mrs. Bumpstead-Leigh" included twelve characters portrayed by Roberta Nevis, Joanna Heiney, Ruth Brinduse, Robert Rock, Sandra Contos, Don Gwinnup, Gene Simmonds, Jack Miller, Bob Clark, Don James, Anne Plessinger, and Suzette Scott.

The play told the story of the Sayles family of Missionary Loop, Indiana, of whom Mrs. Bumpstead-Leigh was the oldest daughter. Being an ambitious woman, she married a wealthy English clergyman to gain her position in society. Coming back to America to impress the New York society with her English manner, she schemed for a match between her sister and a wealthy young financier. True love triumphed again, however, and caused a surprising turn of events for the final scene.

Honor Day Program Given; Janie Phillips Prom Queen

"Gone but not forgotten" expresses the feelings of all members of Club Tom Tom about "Tim" Hawkins, former director of the Club. He left his work here to do even greater work in the capacity of Navy Chaplain. Several parties were given in his honor in appreciation of the wonderful services he rendered in behalf of Anderson young people.

As always, the annual Honor Day Convocations, held on two successive days, were memorable events. Many proud students were presented with prize honors and awards.

Bringing the year to a colossal climax were the traditional Senior Week festivities. Inaugurating the functions was the Junior-Senior Prom given by the Junior Class. Pretty brunette Jane Ann Phillips was chosen queen for this colorful occasion. She was attended by Betty Palmer and Beverly Henderson. Students acting as general chairmen of committees in charge of the numerous Senior events were: Wendell Howard, Betty Merritt, Joanna Heiney, Maribeth Munson, Don Badgely, Don Deena Fleenor, Jimmy Lee Cantwell, Don James, and Jean Hutton.

The activities in the order that they followed were Baccalaureate, the Tea, the Informal Dance, Senior Talent Day Convocation, the Picnic, Theater Party I, the Skating Party, Theater Pary II, Senior Formal Dance, and finally Commencement.

Commencement Is Climax of Senior Week

Working with the Senior Class president, Harry Forse, were the following home room representatives on the Senior Executive Committee: Richard Harrison, Betty Lou Williams, Jo Anne Busby, Don Badgely, Margaret Dent, Eileen Hahn, Charles Robinson, Ruth Brinduse, Betty Lewellyn, Gordon Shrout, Jimmy Lee Cantwell, Betty Moore, Tom Walker, and Don James.

Chosen from special tryouts for the honor of representing the Senior Class at the impressive Commencement exercises were four worthy students. One of the speakers, Thom Gephardt, will speak on "Union Now" based on the book of the same name, "Christ at the Peace Table" is to be the title of Dorothy Jones' speech. Janice McArt will speek on "What Price Freedom"; and Wendell Howard will talk on "Charles De Gaulle." All four speeches will be presented Thursday evening, June 7, in the high school gymnasium.

SENIOR CLASS HISTORY

When we entered A. H. S. in 1941, we were as green as any freshie, I guess, but as proud as any senior could be. Helping us to get adjusted were Harry Forse, president; Don Badgley, vice-president; Edna Couch, secretary; and Sally Coble, treasurer. A big get-together picnic was held at the Mounds State Park that spring and then we really felt at home. We elected Mrs. Helen Hughes and Jessie Huntzinger as our able sponsors.

Honor Study Halls Begun

Our sophomore year saw the institution of a new study hall system, namely the Honor Study Hall, in which a member of the class became monitor and eliminated the need for a teacher. We had one such hall in room 207, presided over by Marian Canaday, president of the class of '44.

Under the capable direction of our four manly officers, Prexy Joe Cook, Vice-President Richard Hamilton, Secretary Rudolph Brauner, and Treasurer Thom Gephardt, we selected our class jewelry.

For our junior president we elected a girl. This honor was conferred upon Suzanne Marrer. Her aids were Vice-President Richard Hamilton, Secretary Betty Lou Williams and Treasurer Jo Anne Busby.

This year, also, we made the momentous decision of our class colors, Purple and White, and along with this selection came the class sweaters we were all so proud to wear.

By this time, we were really in the thick of things and many of our students were participating on committees, councils and in assemblies.

In the spring came our Junior-Senior Prom, presided over by lovely queen Jo Anne Busby and her attendants, Joanna Heiney and Betty Lou Williams. This was the climax of our third year here.

As we re-entered school in the fall of '44, we knew that every under classman was watching us in awe so we squared our shoulders, raised our heads, and prepared to act according to our superior position.

However, we did not have time to act superior when our rushing schedule began. There were concessions to sell at the games and at the cafeteria (candy-stand.) The profits realized here were used to help finance our senior activities.

Also, the demand for labor influenced several members of our group to take advantage of the short programs and work after school.

The Senior Executive Committee under the supervision of President Harry Forse, Vice-President Richard Harrison, Secretary Betty Lou Williams, Treasurer Jo Anne Busby, did a wonderful job of planning and arranging our Senior Week activities.

Also during this, our last year, we saw the beginning of a new rule for the election of cheerleaders, setting the selection in spring to offer cheering support to all sports.

Our class play, "Mrs. Bumpstead Leigh", was ably presented in the spring by a talented cast.

Senior Week a Problem

Senior Week proved a problem with so many of our fellows gone to the armed forces or college but the girls managed to pull through somehow. For the same reason girls participation in inter-class sports was popular.

But now, our year is ended, and we must say farewell. Though we're sorry to leave, we look forward to a future we helped to make and hope for success and happiness. We leave to the remaining classes our hearty wish that they may feel as great a pleasure in their achievements as we do in ours.
